

Leila McKenzie-Delis

Founder and CEO of DIAL Global

Leila McKenzie-Delis is a passionate thought-leader, business owner and entrepreneur, committed to moving the dial on diversity, inclusion, belonging and equity (DIBE) in business.

She is an experienced business leader, public speaker, presenter, chair, author and podcast host. Leila hosts the twice monthly DIAL Global “Diverse & Inclusive Leaders” podcast, in addition to the monthly CEO Activist podcast and DIAL Global Mastermind Council, debating key DIBE themes with business leaders.

Leila was passionate about diversity and inclusion before even knowing what it was. The adopted daughter of two white British parents, Leila is Chinese, dyslexic, a millennial female leader, and proud working mum, with a strong understanding of intersectionality and what it means to be different.
